

Arabella Hilless

<div>General Information:</div> <p>Bones hired her as a mercenary. She has a lip piercing and a provocative nose piercing. Arabella is straight to the point, and quick to trust, as if eager to make friends, possibly resulting from being bullied as a child. She is uncharacteristically afraid of small animals.</p>	 A black silhouette of two characters. On the left is a male character wearing a top hat and a long coat. On the right is a female character with her hair in an updo, wearing a high-collared dress. They are both facing right.
