

Fau'fau

General Description:

Fau'fau are almost indiscernible from animals minus a few tells. While most variants of this species don't have the capacity to speak humanoid languages, they can learn and understand them. They also tend to be quite a bit larger or smaller than the species they share ancestry with.

Sub-species:

- Goat
- Hamster

Notable Traits:

- Traits
- Here!

Notable People:

- "Hamtaro"
