

Nightport

General Description:

Unlike other worlds, Nightport does not rotate, which means one face is always in darkness. It is on this side that pirates and smugglers have built a hidden port city in which to carry out their nefarious dealings. This hive of scum and villainy is a dangerous place, but almost anything may be bought or sold there, including secrets. There is a smaller, isolated settlement on the star-facing side of the world. This is jokingly referred to as "Lightport," because it's funny. Also because the pretentious elven researchers that reside there gave it a pretentious name that's difficult to pronounce.
